Writing & Production

Simon moved into Production & Songwriting in 93 - 94 Initially working with Artists who wanted great songs & vocal production, this lead to Immediate success delivering many hits for various UK R&B Pop acts Including - **Eternal** “*Someday*” & “*I Am Blessed*” - **Louise** – “*Light Of My Life*”, “*One Kiss From Heaven*” “*Undivided Loving*” **MN8** - “*Tuff Act To Follow*”

Simon also teamed up with Murlyn - Anders, Anthon & Bloodhsy at in Stockholm, Co-writing/Producing some of their First hits including - **The Honeyz** “*I Won’t Take it Lying Down*” - **Steven Gaitely (Boyzone)** “*New Beginning*” **Carlos Santana** “*Let Me Love You Tonight*”

Full Album Productions

Eric Clapton - Simon first worked with Eric as a songwriter, Eric then asked Simon to co-write a project for Giorgio Armani. Not only was it a great privilege to work with Eric – It was a lot of fun too, among other things it involved trips to Florence & Milan to Liaise with Giorgio, eat pasta & Protocols “DJ” the soundtrack during the fashion show. (*A lot of people volunteered to assist!*) The Armani Project was later released under the pseudo name of **T.D.F** – “*Retail Therapy*”. Soon afterwards Eric asked Simon to step in as Co-writer/Producer. Eric & Simon wrote a number of songs which evolved into the “**Pilgrim**” Album, including “**Pilgrim**” & “**River Of Tears**” – Eric and Simon have worked on several Albums since including **BB King & Eric Clapton** - “*Riding with The King*” which sold over 5 Million Albums. *See below...*

Michael McDonald– Again working with Michael is great privilege, a lot of fun and has been surprisingly extremely successful - when “*Ain’t no Mountain High Enough*” took off ...”**Motown 1**” went on to sell over 1.8 Million albums... leading to.... “**Motown II**” and the new album “**Soul Speak**”

AWARDS: *for list of, Grammy’s, Ivor Novello’s, Ascaps, Tec awards ...see below*

Simon - is currently Writing & Producing for various Artists, developing some exiting new up and coming Artists, and preparing to launch an online Label which will not only support audio but full video production facilities to enable future broadcast & streaming.
